Thanksgiving Lunch

Director Message

As we are entering the holiday season and looking forward to the new year, I am feeling grateful for many reasons. One of the blessings in my life is the Gibson Center. Working here brings me joy, a sense of purpose, and empathy for those who are experiencing the challenges of aging.

Now approaching our 46th year of service, I am inspired by the work of those who came before us. It is their work and service that allow us to do what we do the way we do it. I am thankful to people such as Glena Mori, Paul Lodi, Rick Spencer, Fran Lampidis, George Cleveland, and Karen James, who gave so much to the organization.

Now that the baton has been passed to me as Executive Director, I hope that I am a worthy successor to those now departed who contributed their "blood, sweat and tears" to the success of the organization.

One thing I am looking forward to in 2025 is celebrating our 2 millionth meal served, which will likely happen in early summer. Be on the lookout for more information on this in the months to come.

~Happy December~

December is National Fruitcake and Egg Nog Month, a time to celebrate two festive holiday staples. Fruitcake, with its rich mix of dried fruits, nuts, and spices, is often a polarizing treat but remains a beloved tradition for many. Eggnog, a creamy, spiced beverage made with milk, eggs, and often a splash of alcohol, brings warmth and cheer to gatherings. Both are tied to centuries of holiday celebrations, and this month encourages indulging in these classic flavors while embracing the holiday spirit. Let's see if we can lighten it up just a bit to keep you all healthy over the holidays.

Light Fruit Cake

- 185 g low fat spread or butter at room temperature
- 115 g caster sugar
- 4 eggs beaten
- 185 g self raising flour

- 60 g plain flour
- 260 g mixed dried fruit
- 60 g dried apricots chopped
- 100 g glace cherries halved
- 125 ml milk

Instructions

- 1. Preheat oven to 160C/315F/Gas 3. Grease a loaf tin using a little butter or spread or add a loaf tin liner.
- 2. Beat spread and caster sugar together in a large bowl until pale and fluffy.
- 3. Gradually beat in the eggs until combined, then fold in the flour, fruit and milk.
- 4. Spoon the cake batter into a loaf pan and bake for 80-90 mins until a skewer inserted comes out clean.
- 5. Cool in the cake tin for 15 mins then remove from tin and cool completely on a wire rack.

Egg Nog

- 2 cups milk (options: milk, unsweetened rice milk, almond milk or soy milk)
- 3 large egg whites
- ⅓ cup honey

- 1 tsp. pure vanilla extract
- ½ tsp. ground nutmeg
- ½ tsp. ground cinnamon + extra to sprinkle on top

Instructions

Let's take a moment to talk about your options here first. If you don't want the eggs in your eggnog, simply omit them. But you will have to reduce the milk by about half to get it to thicken properly.

- 1. Place all ingredients in a blender and blend for about 2-3 minutes
- 2. Pour the eggnog into a pot and warm over medium-low heat for 15 minutes to cook the egg. You want this to get hot, but you do NOT want to boil it. Towards the end, it will want to simmer. Whisk constantly to avoid it.
- 3. Remove from heat and set the pot in the fridge when it's cooled enough to do so. Chill overnight.
- 4. If you made this with the exact listed ingredients (no substitutions), you will see that when it's cold, it becomes very thick. Blend with a whisk.
- 5. If you find that it's far too thick, simply add a bit more milk until you reach the consistency you enjoy.
- 6. Pour into cups and sprinkle with cinnamon.

Bon Appetite! -Becky

Board Member Spotlight: Kelly Drew

Kelly was born and brought up in this beautiful town and was close friends with the Mori family.

The MWV holds a special place in her heart. Her grandfather opened up two Hill's IGA grocery stores in this area over 70 years ago. Her father started L. A. Drew, Inc. in the late 60's which is still run as a family business. She attended Kennett High School and graduated at what is now known as Southern NH University with a BA in Business Management. She began a career in commercial lending at a statewide bank eventually becoming Assistant Vice President of First NH Bank (now Citizens). A few years later, she saw a need to help small start-ups and offered assistance in drafting business plans. She then joined her family's construction company sliding into the office manager position.

Joining the Board of Directors at the Gibson Center was a natural move as Kelly was already heavily involved in the community with the Rotary Club of North Conway. Currently, she is the District Governor overseeing 42 clubs through northern NH, much of Vermont and parts of Canada. She is also a Trustee with the United Congregational Church in North Conway.

2024 Medicare Part D: Open Enrollment

Open Enrollment for Medicare Part D began on October 15th and closes on December 7th. Medicare Part D is a prescription drug plan for people 65 and older. We are very grateful to certified volunteer councilor, Ele Border for donating her expertise and considerable time to providing detailed counseling. Unfortunately, her appointment calendar is oversubscribed now so she is unable to take any more appointments. You can still compare plans and make selections yourself by going to the Medicare.gov website if you have a computer or internet capable device. If you need computer assistance, please consider making an appointment with our volunteer computer counselors.

Look What I Found at the Gibson Thrift Shop!

Thrifty recycling ideas for the holidays!

Recycle Idea #1 - Make Christmas Trees using old books.

You can make lovely table or mantle displays using old books. Since more people are opting to read on tablets or listen to audio books, the real deal books are filling up the land fill. You can use your own books or find some cheap books at the thrift store for this holiday craft project that is easy and fun to do. In fact, it was so much fun for my daughter

that she made them for all of her teachers one year.

We should have a few on display during December is you want to check out the folding process.

Recycle Idea #2 - Make a themed gift basket for someone.

You can find books and mugs for \$1 and puzzles for just a couple of dollars. Theme your gift basket "snow days". Add in a \$3 pair of mittens and buy some hot cocoa. We even have baskets available.

Recycle Idea #3 - Beautiful gift tags.

One of my favorite crafts to do is to make beautiful gift tags using the cards I received last year or left over cards that have no envelope. Just cut out the image on the front of the card using nice rounded edges or try some pinking shears. Add a hole punch at the top and some cute ribbon. Of course glue and glitter can be added too.

Thank You for recycling! Ingrid Kellas Fundraising coordinator

Tech Training In January

Gibson Center is partnering with our friends and colleagues at the Jackson Public Library and Digitunity to offer technology training in January. The five week course will follow a curriculum created by AT&T and will include such topics as video conferencing, staying safe on the internet, smart phone basics, and anything else participants are interested in learning. We are looking for six people to participate in this five part training.

Classes will take place on January 8th, 22nd, and February 12th, 19th, and 26th. We will take the Gibson Center bus at 12:30 and make it to JPL for the 1PM start time. Classes are one hour each. **FMI contact David Smolen or Jill Reynolds.**

Care Givers

There are three options for caregivers who would like some added support. REACH, a Zoom meeting, and 1:1 Peer Support. Call Jill if you are interested.

REACH: stands for Resources for Enhancing Alzheimer's Caregiver Health in the Community. Caregivers will meet with trained coaches and learn to solve common caregiver challenges. Meeting options are currently in-person, one-on-one coaching, phone, or ZOOM.

Caregiver Peer Support: There are caregivers who have probably experienced your challenges and can offer a non-judgmental ear. Currently caregivers prefer phone calls so they can keep their loved ones safe.

Late Evening Zoom Meeting: We realize that many caregivers do not have the luxury of attending a meeting during the day. We are looking to host a later in the evening meeting via zoom for those caregivers who cannot leave their homes for meetings. Please contact Jill for more information, jill@gibsoncenter.org.
